43-1058	Case
43-1046*	Adapter Kit

*Note: Starter Adapter Kit required for 1986-88 application.

Sifton Big Billet Trans Door fits 5-Speed models 1987-99, and includes bearings pressed in with appropriate retaining rings.

VT No.	Years	Item
17-9956	1987-99	Complete
17-9946	1987-99	Door Only
17-9940	1979-86	Door Only

Four Point Ball Bearings For 5-Speed Transmission Trap Doors fit 1999-up Big Twin. The major benefit in using a four point bearing versus radial ball bearing is that a four point bearing contacts the race in four locations not two as in standard ball bearings. The resulting radial load capacity is 1.5-1.7 times greater than that of a standard ball bearing. In set includes 1 bearing and 2 races.

VT No. 12-0387

37-0095

Magnetic Drain Plugs prevent metal particles from circulating through engine and transmission cases, oil tank, etc.
