**VT No. 7132-64**

7132-64 Detail

7132-89

7132-96

**Crane Adjustable Pushrods** made from 3/8" aircraft grade seamless 4130 chromemoly steel tubing and heat treated to 128,000 psi tensile strength for a stronger and lighter than stock pushrod. New style adjuster helps minimize the effects of poor geometry found in stock pushrods, 3/8" diameter eliminates pushrod "rub" completely. Set contains 2 intake and exhaust pushrods. These are not the time saver type.

VT No.	Fits
7132-89	With stock hydraulic lifters
7132-96	With long stroker cylinders
