51-0281	2004-07 FLHRS Road King Custom
31-9946	Mounting Hardware

12" Wind Splitter Windshield

• A great look for all Touring models and is shaped for the perfect combination of effective air flow management and style. The sweeping design complements the shape of the fairing and the inner dash panel and adds height over a traditional low-profile wind-deflector in the center where it counts. The shape decreases wind noise and improves the ability to hear the motorcycle's sound system.

VT No.	Fits
51-0425	2015-up FLTR
51-0426	1998-2013 FLTR

51-0417
