47-0520 Shown

Original White Buddy Seat is a replica of a 1940's reproduced by Corbin-Gentry, features stamped and formed steel replica baseplate with all brackets riveted in place. Foam is molded in a smooth contour and is covered with heavy top grade cowhide. Seams are factory style which is accomplished by riveting a leather strip to seat pan, then form fitting the leather top cover in place, finally sewing the top cover to the leather strip for the original look. Three piece accessorized skirt with 1 hole on each side with rosettes, accepts VT No. 31-0507 chrome handrail.
